Gentlemen:

Insofar as this office is concerned, approval to Drill Well No. Federal #1-Y is hereby granted in accordance with the Order issued in Cause No. 2, on June 28, 1956. However, this approval is conditional upon plugging the #1 and #1-X Wells after completing the above mentioned well.

As soon as you have determined that it will be necessary to plug and abandon this well, you are requested to immediately notify the following:

PAUL W. BURCHELL, Chief Petroleum Engineer
